# (vi) Institutional set-up for Liquidity Risk Management:

The Board should have the overall responsibility for the management of risks and set limits for liquidity, Interest rate, foreign exchange, and equity price risks. ALCO is a decision-making unit responsible for planning from a risk-return perspective including the strategic management of interest rate and liquidity risks. The Asset-Liability Committee (ALCO), consisting of the HFC's senior management including the Chief Executive Officer (CEO) should be responsible for ensuring adherence to the limits set by the Board as well as for deciding the business strategy of the HFC (on the assets and liabilities sides) in line with the HFC's budget and decided risk management objectives.

- Risk Management Committee
- Committee of Directors
- Asset Liability Committee (ALCO)
